

Incoming 8th Grade Summer Reading Assignment RKKBH K-8 Center

Dear Rising 8th Graders,

I am so excited to begin your 8th grade journey with you this fall. To properly prepare for 8th grade, you need to keep up with your independent reading this summer and complete the assigned worksheets.

For this summer, your goal is to read **ONE** book of your choice and responsible for writing **ONE** reader response entry. **The novel selected must be on 8th grade level and needs to be parent approved.** This assignment will be collected during the first week of school; you should have your reader response (assignment) ready to be turned in digitally or printed. They will be graded.

You also have to complete Grammar Worksheets #1-3 to practice Parts of Speech prior to entering the 8th grade.

Options for Reader Response:

Fiction:

1. Create an **“Instagram profile”** for one of the characters in the novel. Your profile should contain a bio, and 6 images with captions. Your images should represent traits of the character and things they might do.
2. Write a series of **Snapchat** posts (4) from the perspective of one of the main characters in your novel. The posts should mirror the events of the story.

Non-Fiction:

1. (Biography) Create a **resume** for the subject of the biography. Your resume should include the following sections: Education, work experience, interests, and hobbies. You can find sample resumes online.
2. Write two **diary** entries from the perspective of the main character and conflict with another person in the story, centering around one event in the story. Each diary entry should be 5-7 sentences and show the distinct point of view of that character. (One entry for each)
3. How can you relate this text to **current events** going on today? Make at least three text-to-world connections and explain them in detail.
