Step 2: Log on to Clever via [Clever | Connect every student to a world of learning](#) .

In the “SEARCH” bar on the upper right corner of the screen, type “ACCELERATE LEARNING” to access the Math Nation application.

The screenshot shows the Clever Resources interface. On the left is a navigation menu with 'Resources' selected. The main area is titled 'Resources' and includes filter buttons for 'Favorites', 'District Resources', 'Added By Me', and 'Resource type'. Below the filters is a 'Favorites' section with five resource cards: i-Ready, Ellevation, Accelerate Learning, Newsela, and IXL. The 'Accelerate Learning' card is circled in red. On the right, a search dropdown menu is open, showing the search term 'accelerate learning' circled in red. The search results list 'Accelerate Learning' as the top result, also circled in red, with a 'Single sign-on' button next to it. Other search results include 'Clever Academy teacher training', 'Kahoot!', 'US Math Recovery Member Center', and 'Elephant Learning'.

Step 3: Once inside Math Nation, choose the course you will be taking in the 2025-26 school year from the drop-down menu (as shown below), then click the “ON-RAMP” button on the top right corner of the screen to access the course. In the “Welcome to On-Ramp” screen, click “START” to begin the diagnostic assessment.

The screenshot displays the Math Nation On-Ramp interface. At the top, a blue navigation bar contains the Math Nation logo, links for Coursework, EdgeXL, On-Ramp (circled in red), and Wall, along with an AA accessibility icon. Below the navigation bar, a dropdown menu is open, showing "FL 8th Grade" (circled in red) and a search bar for coursework. The main content area is titled "Welcome to Math Nation" and features a "Student Tour Video" placeholder with a "MATH NATION" flag icon. A sidebar on the left lists "Course Overview", "Glossary", and "Standards Alignment". At the bottom of the page, a "Welcome to On-Ramp" section contains a "Start" button (circled in red) and a brief message: "You will begin with the Start-Up test, which consists of approximately 10-20 questions, before continuing to your Pathway assignments. Click **Start** to begin."
