Summer Assignment:

i-Ready Math and Reading lessons for students entering grade 2 in the 2025–2026 school year.

These lessons are strategically selected to reinforce skills that students learned during the previous school year and help students prepare for the next grade level. Once completed, no additional lessons will be assigned. If a student does not pass the first attempt at a lesson, i-Ready will automatically reassign the lesson for a second attempt.

Important Dates

• **June 6 – June 8, 2025**: i-Ready will not display any lessons while My Path and teacher-assigned lessons from the 2024–2025 school year are cleared, and the curated summer lessons are added.

• **June 9 – July 25, 2025**: A limited set of curated Math and Reading lessons will be available for students.

• **After July 30, 2025:** i-Ready will be temporarily locked to prepare for the new school year. Students will regain access when they return to school in August.

Accessing i-Ready through Clever over the Summer

1. Go to www.clever.com

2. Select "Log in as Student"

3. Type in the school name or click on the button that says, "District Username / Password."

4. Log in using the same credentials used for the Dadeschools Portal

5. Click the i-Ready icon

Students should use the **"2025 i-Ready Rising Grade 2 Summer PI Lesson Log"** to track their progress and turn the completed lesson log to their homeroom teacher during the first week of school.

Thank you,

Second Grade Team

i-Ready

2025 i-Ready Rising Grade 2 Summer PI Lesson Log
